VENDOR ITEMS

A standard list of Vendor Items technical publications selected will be supplied in CD/DVD-ROM and/or in paper format, for informative purposes only.

TECHNICAL PUBLICATIONS UPDATING

AIRFRAME

- Airframe Technical Publications and their updates shall be provided free of charge for a period of 5 years from HELICOPTER delivery, only in electronic format distributed by Extranet link (<https://extranet.pzl.swidnik.pl>).
- Beyond above period an updating of the Airframe Technical Publications shall be available upon payable yearly subscription of Extranet access. For this purpose the user account shall be established for each customer.
- Moreover we offer additional copies of TP and their updates on CD/DVD-ROMs or in paper format, payable in accordance with "The Extranet & Tech Pubs Price List" (**under the condition of having paid access to TP by Extranet**).

ENGINES

Updating of the technical publications for the Engines shall be provided by the relevant manufacturer in accordance with their policy.

VENDOR ITEMS

Updating of the technical publications for the Vendor Items shall be provided by the relevant manufacturers in accordance with their policy.
